

Healthcare Professionals List (2019)

This list details healthcare professionals who specialise in and/or have an interest in vestibular/balance.

The listing is ordered by country and county and includes both NHS (N) and private (P) practices.

Availability of Vestibular Rehabilitation (VR) is indicated in the VR column.

If you are a healthcare professional and would like to add or amend your details please email: info@menieres.org.uk

Please note, this is not a definitive list. Names are added when we receive information from or about the listed professional or organisation.

The Ménière's Society assumes no responsibility for the names listed and is unable to recommend specific professionals/organisations.

Healthcare Professionals List (2019)

This list details healthcare professionals who specialise in and/or have an interest in vestibular/balance.

The listing is ordered by country and county and includes both NHS (N) and private (P) practices.

Availability of Vestibular Rehabilitation (VR) is indicated in the VR column.

If you are a healthcare professional and would like to add or amend your details please email: info@menieres.org.uk

Please note, this is not a definitive list. Names are added when we receive information from or about the listed professional or organisation.

The Ménière's Society assumes no responsibility for the names listed and is unable to recommend specific professionals/organisations.
