## The Safety and Legal Bit

**There are a number of laws and regulations governing how people can collect or fundraise for a charity. Different rules apply depending on where and how you decide to raise funds. They are designed to protect you from fraud and to ensure best practice. When fundraising for the Ménière's Society we ask you to keep it legal and comply within the law and other relevant rules and regulations, as well as the Society fundraising rules. It is essential that any fundraising activity/event is run legally and safely.**

**Note: The event's organiser is responsible for ensuring compliance with legal, health and safety standards. If your event involves the general public, it's a good idea to have Public Liability Insurance. Check first to see if your venue already has this.**

The Ménière's Society logo may only be used with our specific permission. If you are fundraising for the Ménière's Society, please use our charity registration number (297246) on all publicity materials and include the disclaimer: *"This event is raising funds in aid of the Ménière's Society (RCN: 297246). The Ménière's Society really appreciates your support, but is not liable for this event."*

Any donations collected in one of our collection boxes are intended solely for the use of the Ménière's Society. Please return any monies raised to us as soon as possible after your event so that we can say thank you and send you your fundraiser's certificate.
