About the Ménière's Society

The Ménière's Society is a UK registered charity dedicated solely to supporting people with vestibular disorders. The Society provides information to patients and those who care for them, health professionals and the general public. With over 30 years' experience, the Ménière's Society helps people source specialists in their local area, publishes a magazine, Spin and produces factsheets on a variety of subjects (e.g. driving, surgery...etc). The Society provides a friendly, confidential telephone information line during working hours. Peer support is also encouraged. Visit our website www.menieres.org.uk for more details.
